Tips and tricks: Instead of a duffel bag, we recommend a rubbermaid tub. It is easier for kids to stay organized, and it doubles as a bedside table. Also, our twin-sized beds are most comfortable with a bottom sheet, even with a sleeping bag.

Camp is a place where we all come together. Please do not pack anything derogatory, vulgar, violent, offensive, drug/alcohol/tobacco related, or divisive clothing or items. This includes: risqué clothing or swimwear, as well as overt political statements. Particularly, swimwear should not include speedos for male identifying campers and should either be tankinis that cover the midriff or one-piece bathing suits. Everything we do at camp is through the lens of our core values, caring, honesty, respect, and responsibility, and our attire should reflect that. Please choose modest outfits for camp that reflect our values.

WE CAN'T WAIT TO SEE YOU SOON!
