ACCOMMODATIONS

Whether you have reserved a cabin, platform tent, yurt, or tent site, we want you to be prepared for what those accommodations will provide you for your stay. Regardless of your reservation type, the space is yours to fill up to its capacity, and we will not pair families together unless requested.

CABINS

Our cabins sleep up to 14 people in bunk beds. Bathrooms, including 2 shower stalls with adjoining changing area, two enclosed toilets, and double vanity sinks are in each cabin. There is electricity and heat in our cabins, and the floors are carpeted. With the exception of small cubbies, there is no storage (bureaus, etc.). Cabins are in villages of 5 with a common area including a fire pit between them. Families reserving more than one cabin will be housed in the same village.

YURTS

Our yurts sleep up to 12 people in bunk beds. There is electricity and heat but no bathroom facilities inside the yurt. Those staying in yurts must use the shower house located nearby for their bathroom needs. The yurts are in a village of 4 with a common area that includes a fire ring.

PLATFORM TENTS

Consisting of a wooden platform base with wooden frame and a canvas shell, these rustic tents sleep up to 10 in bunk beds and are located near the shower house.

PITCH YOUR OWN TENT

Our tent sites are very primitive, grassy, shaded areas with no water or electricity. Nearby picnic tables and fire rings are available for use. You may pitch up to two tents and house up to 8 people per site.

Remember that your accommodation reservation is just that, a reservation for the space you will be staying in, you still need to be certain every individual who will be part of your group is registered for their meals and activities.

OTHER THINGS TO KNOW ABOUT Y CAMP ACCOMMODATIONS

Prudent attempts will be made to reunite forgotten, labeled items with their owners after your visit but, due to limited space, all unclaimed lost and found items will be donated 2 weeks after the end of the camp session. If you are looking for a lost item, be sure to contact the Camp Registrar at 208.344.5502 x250 no later than 2 weeks after your visit.

Our camp store includes a variety of camp shirts, hats, and other items available for purchase. Cash, check, or credit card payments are accepted.

CHECK OUT

Because family camp is open for folks to come and go as they please, the check-out process is very informal. We simply ask that you do the following before you depart:

- Clean your living unit/area. Specific cleaning procedures will be provided but primarily we wish for you to be certain you have all your belongings, put all trash in a proper container, sweep or vacuum cabins and yurts, and return any items you checked out for use.
- You must depart camp by 1 PM, at the conclusion of lunch.
- Say goodbye! Although we don't need to check you out formally, we do like to know when folks are leaving and to wish you well! Plus it helps us know when we can get our team in to sanitize for the next group.

HEALTH AND SAFETY

Participants are responsible for their own medications, first aid, health management, and transportation to emergency facilities, if necessary, while at Y camp. There is no medical staff on duty during family camp, although all staff are trained in First Aid and CPR. Please notify a staff person if you have a medical concern, incident, or close call, while at camp.

There is a full service, 24-hour emergency medical clinic in Cascade (approximately 20 minutes from camp) where we refer medical emergencies.

MEALS

Meals are served cafeteria style at camp and last for one hour. We provide appropriate portions of a variety of healthy, family-friendly foods. Fruit is always available, and our beverage area is open in between meals.

Vegetarian options are offered with every meal and soy milk is provided. Dietary restrictions/allergies are taken very seriously and are accommodated. Please contact us prior to your camp session to discuss any specific dietary concerns you may have by emailing camp.kitchen@ymcatvidaho.org.

Personal food items and non-alcoholic beverages may be stored either in our dining hall or in the bear boxes located near your accommodation. We ask that you do not store or consume food in your accommodation so that we can continue to avoid unwanted visits from rodents, ants and other pests. Ice is available if needed.

We are a nut-free facility. Please do not bring any food or drinks that contain nuts of any kind to camp

The second night we will have campfires in the villages and our counselors will once again play host to help make some delicious s'mores! On your final night with us, we welcome everyone to participate in our traditional closing campfire ceremony. This event is treasured by our campers and staff and solidifies your place in the Y Camp family.

WHAT TO PACK

See packing list for details. Average daytime highs are 75–95 degrees, while evening lows can be as low as 35 degrees. Please be certain you have warm clothing. Long sleeves and pants are recommended for evenings at camp, as they help protect against the cold as well as insect bites. Remember that you will be spending most of the day outdoors, and you will get dirty.

Camp provides all the equipment needed for fun and a great time. We also check it regularly for safety and quality. Please leave your personal sports equipment at home. (Example: Archery bows, climbing harness, etc.)

You are encouraged to bring your own mountain bike. Please bring a helmet and lock!

NOT ALLOWED AT CAMP

Alcohol, tobacco, illegal drugs, firearms, ATVs, and pets

UNPLUGGED AT CAMP

Camp is a great time to unplug and reconnect with the family in the outdoors.

We ask that you try your best to promote this ethic at camp. We realize that stepping away from electronics is not always possible, though. For your convenience, there is Wi-Fi in The Lodge, and it is open early and late so you can grab a cup of coffee and get necessary communications done. Then you can put the electronics away and enjoy camp!

Cell service is unreliable at camp. In case of an emergency, you can use the camp director's cell number at 510.673.6326, or you may try the registrar during business hours at 208.34.5502 x 250. The camp office is not always staffed, but messages are checked regularly, and we will deliver the message as soon as possible.
