Our yurts sleep up to 12 people in bunk beds. For all-adult groups, we try to utilize only the bottom bunks unless you have requested more than 6 people to stay in the same housing.

There is electricity and heat, but no bathroom facilities inside the yurt. Those staying in yurts have access to the shower house located nearby for their bathroom needs.

We have one village of 3 yurts and one village of 4 yurts.

CHECK OUT

Because Women’s Wellness Weekend is open for folks to come and go as they please, the check-out process is very informal. We simply ask that you do the following before you depart:

- Clean your living unit/area. Specific cleaning procedures will be provided but primarily we wish for you to be certain you have all your belongings, put all trash in a proper container, sweep or vacuum cabins and yurts, and return any items you checked out for use.
- You must depart camp by 1 p.m. on the last day of the session
- Say goodbye! Although we don’t need to check you out formally, we do like to know when folks are leaving and to wish you well! Plus it helps us know when we can get our team in to sanitize for the next group.

HEALTH AND SAFETY

Participants are responsible for their own medications, first aid, health management, and transportation to emergency facilities, if necessary, while at Y camp. There is no medical staff on duty during Women’s Wellness Weekend, although all staff are trained in First Aid and CPR. Please notify a staff person if you have a medical concern, incident, or close call, while at camp.

There is a full service, 24-hour emergency medical clinic in Cascade (approximately 20 minutes from camp) where we refer medical emergencies.

MEALS

Meals are served cafeteria style at camp and last for one hour. We provide appropriate portions of a variety of healthy foods. Fruit is always available, and our beverage area is open in between meals.

Vegetarian options are offered with every meal and soy milk is provided. Dietary restrictions/allergies are taken very seriously and are accommodated. Please contact us prior to your camp session to discuss any specific dietary concerns you may have by emailing camp.kitchen@ymcatvidaho.org.

Personal food items and non-alcoholic beverages may be stored either in our dining hall or in the bear boxes located near your accommodation. We ask that you do not store or consume food in your accommodation so that we can continue to avoid unwanted visits from rodents, ants and other pests. Ice is available if needed.

We are a nut-free facility. Please do not bring any food or drinks that contain nuts of any kind to camp

EVENING ACTIVITIES

Each evening of camp will have its own special flair, but campfires will be a part of every one. Our first night includes an opening campfire with a show put on by our fabulous camp staff. Each evening, after the large group campfire, we will have village fires available where you can make s'mores and socialize in a smaller setting around a fire. On your final night with us, we welcome everyone to participate in our traditional closing campfire ceremony. This event is treasured by our campers and staff and solidifies your place in the Y Camp family. Just like the rest of the women's wellness experience, you are welcome to participate in as many or as few campfires and events as you choose.

WHAT TO PACK

Average daytime highs in late September can range from 55–75 degrees, while evening lows can get down to 30 degrees. Mountain weather can be unpredictable; layers are recommended. Please be certain you have warm clothing. Long sleeves and pants are recommended for evenings at camp, as they help protect against the cold as well as insect bites.

Camp provides all the equipment needed for fun and a great time. We also check it regularly for safety and quality. Please leave your personal sports equipment at home. (Example: Archery bows, climbing harness, etc.) Because our site involves a lot of walking from one location to the next, we do recommend you bring your bicycle or mountain bike to get around. Please bring a helmet and lock!

Closed-toed shoes are required for the zip line, climbing tower, and ropes elements, and are highly recommended everywhere in camp besides showers and waterfront activities.

TOILETRIES

Include everything you would for an overnight trip (including medications) as well as a towel, chapstick, sunscreen, and insect repellent.

BEDDING

Sleeping bag and/or twin sheets, blankets, and a pillow.

OTHER ITEMS

Flashlight and Batteries
Water Bottle
Camera
Sunglasses
Small daypack
Book
Games/Cards
Highly Recommended

NOT ALLOWED AT CAMP

Alcohol, tobacco, illegal drugs, firearms, ATVs, and pets.

UNPLUGGED AT CAMP

Camp is a great time to unplug and reconnect with the outdoors. We realize that stepping away from electronics is not always possible, though. For your convenience, there is Wi-Fi in The Lodge, and it is open early and late so you can grab a cup of coffee and get necessary communications done. Then you can put the electronics away and enjoy camp!

Cell service is unreliable at camp. In case of an emergency, you can use the camp director's cell number at 510.673.6326, or you may try the registrar during business hours at 208.344.5502 x 250. The camp office is not always staffed, but messages are checked regularly, and we will deliver the message as soon as possible.
